Mr. LeRoy Carlson  
U.S. Fish & Wildlife Service  
Colorado State Office  
730 Simms Street  
Golden, Colorado 80401

Dear Mr. Carlson:

The U.S. Department of Energy Rocky Flats Office (DOE/RFO) wishes to thank the U.S. Fish and Wildlife Service for the briefings on the Endangered Species Act, Fish and Wildlife Coordination Act, Eagle Protection Act and Migratory Bird Treaty Act on July 2 and 7, 1992. The briefings were informative, practical and very professional. The level of knowledge and awareness of both DOE/RFO and EG&G staff were considerably increased as a result of your efforts.

For your information, we have, prior to the briefings, directed EG&G to develop a Resource Protection Program for activities at the Rocky Flats Plant to insure that compliance with these statutes and regulations is achieved. In the future, we will hold EG&G responsible for complying with these statutes and regulations for all activities conducted at the Rocky Flats Plant. I'm sure that your briefings will be very helpful in assisting EG&G toward fulfilling these responsibilities.

Sincerely,

James K. Hartman  
Assistant Manager  
for Environmental Management
